## REACH Compliance Statement

February 18, 2021

RE: REACH, European Union Directive EC 1907/2006  
Candidate List updated 19 January 2021 – (211) SVHC Substances

Dear Customer:

This letter defines Mott Corporation's compliance information regarding the limitations set forth in European Union Directive EC 1907/2006 "**R**egistration, **E**valuation, **A**uthorisation, and **R**estriction of **C**hemical substances."

Based on information received from our suppliers and a review of internal processes, Mott products are in full compliance with the current level restrictions set forth in REACH and do not contain greater than 0.1% by weight a Substance of Very High Concern (SVHC) in accordance with the REACH SVHC Substance List. Furthermore, Mott products do not contain substances included in the list in ANNEX XIV of the REACH Regulation and do not contain substances subject to restrictions in accordance with Annex XVII of REACH.

Please note that Mott does conduct separate annual testing on raw powder materials in order to validate the compliance information received from our suppliers.

If there are any questions, please contact the undersigned.

Regards,

Robert Bursiewicz
